

Berkshire Institute for Christian Studies

BICS offers young adults a year of college-level study and spiritual development through a unique “gap year” experience, including a two week trip to explore the lands of the Bible. The Institute seeks to equip students with a biblical worldview through classroom learning, relational discipleship, and firsthand experience in ministry.

- *Engaging courses with experienced faculty*
- *Lifelong friendships*
- *14 days in Israel - the trip of a lifetime!*
- *Firsthand ministry experience*
- *Affordable tuition with scholarship opportunities*
- *Transferable college credit*

Whether exploring vocational ministry, seeking to establish a career, or pursuing higher learning, these dimensions and more make BICS one of the most formative years in the lives of students. A year spent at BICS is a rewarding investment in spiritual and life development.
